Presidents Report.

I can't believe its half way through the year already and we've had our shortest day!

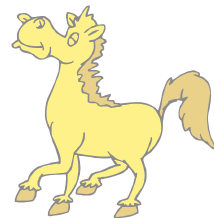

Hope everyone is taking care while riding out or doing the ODE'S. If you are riding along the road, I hope you are visible and wearing reflector vests and putting reflectors on your helmet as well as leg reflectors on your horses. I was driving home one evening at 6ish and I suddenly came across 2 horse's, one being ridden and the other being lead, neither the rider nor the horses had any reflective gear on! So please be aware of how dangerous roads are at that time of night.

My report from the NZRC AGM can be found later in this newsletter.

We have had our Cross Country rally with Emily Butcher; I've heard that everyone that went had a great time. Thank You Emily again.

The Jam Rally went down as a hit so we are planning more of these, next one will be in August.

Remember the Re Dated Dressage Day is now being held on Sat 8th August at Selwyn Equestrian Centre, entries close 31st July there are still lots of beginner spaces available (please email Miranda if you want to put a entry in) Also Helpers are required for setting up the arenas on friday 7th in the early afternoon and for many jobs on the day, please contact Miranda if you can help either day.

New Zealand Riding Club AGM

Like I said in last month's newsletter, we had two of our members that were heading up to the AGM. It was a very cold start at 6am, we managed to catch our flight before all flights were postponed or delayed in and out of Christchurch. The car we hired wow it was a bit flash. Especially when I drive a 4wd all the time. Lucky we didn't get lost on the drive to Carterton. Once in Carterton, we met two of the Nelson Riding Clubs ladies: Anne and Robyn. We had a good chat before going into the AGM and they gave us heaps for not wearing our uniform as they wanted the South Island to stand out. Oops – they should have said!!

It was good to meet the National Team, mainly all North Islanders. But a good turn out of 5 from the South.

Now for a brief run down of the AGM.

The affiliation fees were discussed again and amended from the 08' minutes and will stay the same for the next few years. The insurance was interesting; we found out that it covers all of us out in a group, all competitors in shows, rallies and damage to ground. So, although insurance has gone up 20% in a short time, it's all good as it covers more than we thought.

S.I.T.E is a big disappointment for the South, N.I.T.E has the same problem but they are pulling through with it, with help from other club's, so let's help out neighbouring clubs and get it going. We also have to be fully affiliated in order to compete, Clubs that aren't can't compete in S.I.T.E.

Our South Island Vice President is Anne Davey from Nelson Riding Club; I'll be looking forward to her ideas and contribution to the clubs. Welcome. And also on the Nation Committee from Nelson is Robyn.

The next AGM for 2010 NZRC will be in Christchurch TBC. The Nelson Ladies volunteered us so we will put it on and have a good one.

Brydie
