Presidents Report.

Aren't the horses starting to look smart in their summer coats, nice and shiney (and not yet sun bleached) Well done to everyone who competed in our Jumping day, it was a perfect day at McLeans Island for it. It was good to see the beginners getting round their first round and getting more confident as they progressed, And the seasoned jumpers were impressive to watch. A huge thank you to our judges Stu Schroeder and Peter Jarvis (show jumping) and Mavis Harris (hunter). The response of helpers for setting up on Saturday was much appreciated. Don't be surprised if you see a set of beacon lights on top of the finishing flags in the show Jumping Ring next year, one of our riders happened to miss the finishing flags not once but twice in both her jump off rounds, this unfortunately defiantly cost her a ribbon or 2.

The Inhand Show is fast approaching, schedules will be emailed out this week. Please note there is a change of date from the last newsletter, it is now being held on Sunday 27th Nov at Courtenay Show grounds (Kirwee), Please Note the CRC Members only classes (best Riding Club type & best Handler) are free from entry fees so it would be great to see all our members take part. We will be needing volunteers for ring stewards for this show, 5 in the morning and 5 early afternoon, please email the club if you are available to steward.

We have some great rallies coming up, there is a beach / forest ride this coming weekend (16th oct) and on Labour Monday committee member Annabel Fitzsimons (RAS listed judge and A&P competitor) has offered to run a show turnout rally, this will be a great learning experience for anyone who shows, learn how to tidy a horse up for the show ring AND how / what / where to apply all that make up on offer to improve your horses natural appearance, further details inside.

Remember we still have CRC polo shirts for sale, these look very smart on and off your horse and its a great way to pick our members out of a crowd!!
