### *Presidents Report.*

*I guess you could say winter did come in a lamb and go out a lion. Albeit a semi tame lion, that only lasted a few days and created a small amount of mud, unfortunately that glistening white stuff did coincide with our dressage day which forced us to postpone it for a week. A reasonable level of entries, a lovely sunny day and with most horses keeping their manners intact saw a day enjoyed by many.*

*We have another rally coming up with Ross Smith from Selwyn Equestrian, perfect timing for those who want to brush off the cobwebs and get everything in (the correct) place for our upcoming Jumping Show to be held at McLeans Island equestrian centre on the 2nd October. We also have 2 rallies planned for next month, one to relax with and one to broaden our knowledge for the show ring.*

*A Date for your dairies - 20th November "Keep it Free" it is our Inhand Show day. Schedules will be out in the near future.*

*One Small Gripe : Setting up for events seems to be getting left to a very small group of people, we have one more major setting up day this season - Sat 1st October 1pm for our jumping show, Please if you can be there to help set up it would be much appreciated.*

*Enjoy the moulting season.*
